Formative course evaluation	
Summative course evaluation	
Feedback to students	

Forms of evaluation

No course evaluation was done because there were only 8 students registered, only three finished.

Summary of the students' course evaluations

Summary of the evaluations of the teaching team

Analysis

Due to a lot of Covid-19 and other colds and flu, most students couldn't attend. Despite holding extra classes so that everyone had at least 5 or 6 classes, only three were able to finish the course.

Action plan

It has been decided that the course will not run in the winter again because of the problem of illness.
