x	Oral evaluation in smaller groups
	Other evaluation method
If other evaluation method was conducted, describe how: Feedback in program council	

Comments on the course evaluations

Generally, students seem to be happy with the course. Complaints touch mostly on that several moments are mandatory to attend.

Examination results

x	Examination results are as expected
	Examination results are not as expected
Write comments here	

Recommendations and priorities for the course development

Examination through several smaller papers is not practical, so we will change the individual examination format to one large assignment.
