Student's perspective (To be completed by the course coordinator)

Summary of the students' oral and written feedback: The great majority of the students are satisfied with the course.

Teacher's perspective (To be completed by the course coordinator)

Summary of the teacher's views: The great majority of the students appreciate the opportunity to do an internship.

Action plan (To be completed by the course coordinator)

The underlaying analysis and the action plan should be based on a summary of the students' individual course evaluations, views from teachers in the course and the knowledge development in the research field. If identified problems are left without action, this should be motivated. No changes.

Remember to orally feedback the results of the course evaluation to
- the students who have completed the course evaluation
- the students of the next course round, i.e. the next time the course is given
