Student's perspective (To be completed by the course coordinator)

Summary of the students' oral and written feedback:

- The students were generally very happy with the internship course
- The valued the worklife experience
- The report was manageable

Teacher's perspective (To be completed by the course coordinator)

Summary of the teacher's views:

- The teachers very much share the students assessment.
- The internship offers a splendid opportunity to apply the abstract knowledge they have learnt in their programs.

Action plan (To be completed by the course coordinator)

The underlaying analysis and the action plan should be based on a summary of the students' individual course evaluations, views from teachers in the course and the knowledge development in the research field. If identified problems are left without action, this should be motivated.

The following changes are planned in the short and long term:
WHAT should be done, WHO should do it and WHEN should it be done?

- No changes needed.

Remember to orally feedback the results of the course evaluation to

- the students who have completed the course evaluation
- the students of the next course round, i.e. the next time the course is given
