Student's perspective (To be completed by the course coordinator)

Summary of the students' written feedback: The majority are satisfied with the course.

Teacher's perspective (To be completed by the course coordinator)

Summary of the teacher's views: As the students must organize they internship themselves, the course requires commitment, curiosity and interest as well as the ability to read instructions and meet deadlines.

Action plan (To be completed by the course coordinator)

The underlaying analysis and the action plan should be based on a summary of the students' individual course evaluations, views from teachers in the course and the knowledge development in the research field. If identified problems are left without action, this should be motivated. No changes since the coutrse works out well.

Remember to orally feedback the results of the course evaluation to
- the students who have completed the course evaluation
- the students of the next course round, i.e. the next time the course is given
