Summative course evaluation (obligatory) x☐ Only via Canvas ☐ Canvas and other form ☐ Only other form (written and/or oral)	**Number of students who participated in the summative course evaluation:** **2**

Student's perspective (To be completed by the course coordinator)

Summary of the students' oral and written feedback:
Almost all students are satisfied with their internship and their own contribution, especially when it comes to being able to transform their theoretical knowledge into practical and getting a conformation of their skills.

Teacher's perspective (To be completed by the course coordinator)

Summary of the teacher's views:
The possibility to do an qualified academic internship within the students future work area is very important and rewarding.

Action plan (To be completed by the course coordinator)

The underlaying analysis and the action plan should be based on a summary of the students' individual course evaluations, views from teachers in the course and the knowledge development in the research field. If identified problems are left without action, this should be motivated.

No changes are required.

Remember to orally feedback the results of the course evaluation to
• the students who have completed the course evaluation

- the students of the next course round, i.e. the next time the course is given
