Student's perspective (To be completed by the course coordinator)

Summary of the students' oral and written feedback:

- Students were in general very satisfied.
- Internship is seen as insightful.
- Students gain workplace experience and leadership skills.
- Some students wanted more connection with the university during the internship period

Teacher's perspective (To be completed by the course coordinator)

Summary of the teacher's views:

- The internship provides students with necessary work life experience.
- The students are satisified and appreciate the opportunity.

Action plan (To be completed by the course coordinator)

The underlaying analysis and the action plan should be based on a summary of the students' individual course evaluations, views from teachers in the course and the knowledge development in the research field. If identified problems are left without action, this should be motivated.

The following changes are planned in the short and long term:
WHAT should be done, WHO should do it and WHEN should it be done?

- The internship coordinators will discuss if changes to the format are necessary, potentially include activities were the students connect more with the university during the internship period.

Remember to orally feedback the results of the course evaluation to
• the students who have completed the course evaluation
• the students of the next course round, i.e. the next time the course is given
