## Student's perspective (To be completed by the course coordinator)

**Summary of the students' course evaluations:**

The students' evaluation of the course diverged, with only two-thirds of students giving the course a top grade. The average rating was lower than when the course was last given, in spring 2022.

## Teacher's perspective (To be completed by the course coordinator)

**Summary of the teacher's views/Results:**

The new course book was not the success we had hoped for. The course was examined with a literature review – which turned out to be a format that part of the group were not familiar with.

**Analysis and action plan (To be completed by the course coordinator)**

**Analysis and action plan:** We will consider replacing the new course book and shifting back to the old format of examination.
