Implementation	Mark with an X
The previous course report is communicated in connection with the start of the course	
Early dialogue on expectations for the course	x
Formative course evaluation	x
Summative course evaluation	x
Feedback to students	x

### Forms of evaluation

During the course we have worked with formative assessment in dialogues. The summative course evaluation has been conducted at the end of the course via Reflex.

### Summary of the students' course evaluations

Only two students were active in the course and they rated all questions in the evaluation with the highest score. No written comments.

Summary of the evaluations of the teaching team  
See the above.

Analysis

The course seems to have a well-functioning format and content.

Action plan

The course format will remain.

Proposed revisions to the course syllabus

No revisions to the syllabus.
