Action plan (To be completed by the course coordinator)

The underlying analysis and the action plan should be based on a summary of the students' individual course evaluations, views from teachers in the course and the knowledge development in the research field. If identified problems are left without action, this should be motivated.

The following changes are planned in the short and long term:

WHAT should be done, WHO should do it and WHEN should it be done?

- review how course information is communicated in Canvas. Done by JN before next course start.
- Reflect on course planning and scheduling for future iterations. Done by JN before next course start.
-
- *(add/remove points as needed)*

Remember to orally feedback the results of the course evaluation to

- the students who have completed the course evaluation
- the students of the next course round, i.e. the next time the course is given
