Course LADOK code: KK160B	Scope (hp): 15,0 hp
Course title: The Video Essay as Contemporary Media	
Course coordinator: Oskar Aspman	Number of registered students: 38
Semester in which the course is conducted: HT25	
Is the course an independent course, programme course or contract course? If the course has been completed within a programme, enter the programme name.	

### Forms of evaluation and feedback (To be completed by the course coordinator)

Formative course evaluation, for example dialogue during the course (optional)	Approx. number of students who participated in formative course evaluation(s):
Summative course evaluation (obligatory) <input checked="" type="checkbox"/> Only via Canvas <input type="checkbox"/> Canvas and other form <input type="checkbox"/> Only other form (written and/or oral)	Number of students who participated in the summative course evaluation:  <b>8</b>

### Student's perspective (To be completed by the course coordinator)

<p><b>Summary of the students' oral and written feedback:</b></p> <p>Studenterna var övervägande positiva, och uppskattade särskilt lärarnas engagemang, friheten att experimentera, och de praktiska momenten. Men eftersom kursen gavs för första gången fanns tydliga förbättringsområden, framför allt kring struktur, feedback och hur slutvisningen organiserades.</p> <p><i>"The course is well structured and I feel that I have learned more than what I initially thought I would."</i></p> <p><i>"Enthusiastic teachers, with great attitudes and very knowledgeable. The course content was great, the learning environment was very pleasant."</i></p> <p><i>"Very extensive and gave us place to experiment with software and ideas."</i></p> <p><i>"More focus on what the process brought ex. insights &amp; struggles. Less focus on details such as sound quality etc."</i></p> <p><i>"Final presentation day could be split into two days so that the whole essay could be shown for a greater understanding of the different subjects."</i></p> <p><i>"Individual feedback should be improved."</i></p>
---

**Teacher's perspective (To be completed by the course coordinator)****Summary of the teacher's views:**

Lärlarlagets tankar stämmer bra överens med studenternas. Jag försökte återanvända visa redan skrivna föreläsningar till den nyskrivna kursen och där saknades lite av en röd tråd. Och där finns absolut rum för att både utveckla och utöka feedback och redovisning kring den avslutande uppgiften.

**Action plan (To be completed by the course coordinator)**

- Tydligare röd tråd i föreläsningarna
- Mer individuell feedback för den individuella uppgiften.
- Två dagars redovisning för att ge utrymme för bättre discussion kring den avslutande videoessän.

Remember to orally feedback the results of the course evaluation to

- the students who have completed the course evaluation
- the students of the next course round, i.e. the next time the course is given
