Administration's perspective (To be completed by course administrator)

The administration's views:

Forms of evaluation and feedback (To be completed by the course coordinator)

Formative course evaluation: On-line office hours throughout the course.	Number of students who participated in the course evaluation: Very few
Summative course evaluation: On-line survey. The survey was sent to the course coordinator 1 February 2023.	Number of students who participated in the course evaluation: 6
Feedback to students: The course report will be posted on the course webpage.	

Student's perspective (To be completed by the course coordinator)

Summary of the students' course evaluations: Only six students completed the evaluation. They were happy with the course (average note 4,5). No suggestions for improvements were given.

Teacher's perspective (To be completed by the course coordinator)

Summary of the teacher's views/Results: This time, much fewer students were active than on previous occasions, and there were more students that failed exams. So far, only eight students have completed the course (out of 38 registered students – in 2020 31 students completed the course). It is very hard to understand why.

Analysis and action plan (To be completed by the course coordinator)

Analysis: It might be that many of the students interested in this topic have now taken the course, and that it should be paused for a while.

Action plan: The future of the course will be discussed with the department management.
