Semester	HT22
Number of registered students	9
Course coordinator	Alexei Iantchenko

	Course report is published on Canvas-site
	Course report is published on course webpage

Compulsory course evaluation

Number of responses to the compulsory course evaluation	0

The compulsory course evaluation has been conducted through:

	Standard template via SSR (Sunet Survey and Report)
	Extended standard template with *own questions* via SSR
	Own evaluation method by the course coordinator
If own evaluation method was conducted, describe how:	

Additional evaluations that were conducted during the course

	Separate survey
	Oral evaluation in class
	Oral evaluation in smaller groups
	Other evaluation method
If other evaluation method was conducted, describe how:	

Comments on the course evaluations

It was big difference between student engagement and level. Few active students succeeded course without problems.

Examination results

	Examination results are as expected
	Examination results are not as expected
Examination results are less good as expected	

Recommendations and priorities for the course development

The admittance requirements are too lower.
