COURSE REPORT – Summary of course evaluation

The course report is a summary of the course evaluation. The course evaluation takes into account the students' course evaluations, the study administration's views, the teachers' views, and the course outcome - ie the students' actual results, course completion, and conditions for course implementation such as teaching and supervision time, premises and support functions. The course report also contains an analysis and development/action plan for the course.

The course report forms the basis for feedback to students and follow-up in quality dialogues both in the education-centered and in the university-wide quality work.

Student's perspective (To be completed by the course coordinator)

Summary of the students' course evaluations: Students were very happy with the semester. Specifically it was mentioned that the weekly Monday fika was a good meeting spot and gave structure to the week. The work places also seem to have worked well.

Teacher's perspective (To be completed by the course coordinator)

Summary of the teacher's views/Results:

The course is challenging to coordinate since there is a very large variation in content as well as organization of the different projects. We will continue to build on the experiences to make a good course structure.

Analysis and action plan **(To be completed by the course coordinator)**

Analysis:
We will continue to develop the course.

Action plan:
A coordinator for the external projects will be appointed for nest semester. Overall structure will be kept for the course.
